

**COUNTY COUNCIL of BERKELEY
COUNTY, WEST VIRGINIA**

Request for Proposal (RFP)

For

Roof Repair or Replacement

November, 2011

**REQUEST FOR PROPOSALS
REGARDING QUALIFICATION AND PRICE PROPOSALS FOR
ROOF REPAIR OR REPLACEMENT**

The County Council of Berkeley County, West Virginia (herein referred to as the "County Council" or "Council") is requesting Qualification and Price Proposals from interested parties for Roof Repair or Replacement for several County owned buildings.

The County Council (or its designated representatives) will be evaluating submissions to this request and will ultimately select a firm judged to be both responsible and responsive to the request in every way, including having offered the most beneficial, appropriate price proposals. The County Council reserves the right to interview some or all prospective firms to discuss Qualifications & Price Proposals. The format for submittals, information regarding the scope of work, and selection criteria used by the County Council is available from the County Council Office, 400 W. Stephen Street, Suite 201, Martinsburg, WV 25401, or by telephone at 304-263-1923. Inquiries should be directed to Gwen Campbell, Procurement Coordinator, 304-267-5000, extension 3104.

A Mandatory Pre-Proposal Conference will be held at 10:00 AM on Monday, November 28, 2011 in the Dunn Building, 400 W. Stephen Street, Room 205, Martinsburg, WV, 25401. Attendance at this conference is mandatory for all contractors wishing to submit bids.

Three (3) copies of submittals of Qualification & Price information from interested businesses should be enclosed in a sealed opaque envelope marked "**Roof Repair or Replacement**". Proposals must be submitted and time-stamped into the County Council Office, Room 201, 400 W. Stephen Street, Martinsburg, WV, 25401 **no later than 4:00 p.m. on Wednesday; December 7, 2011.** Failure to provide the required information as requested in the RFP for Berkeley County's review may result in disqualification.

Proposals will be opened and entered into public record at 11:00 AM on Thursday, December 8, 2011 in the County Commission Meeting Room, 400 W. Stephen Street, Room 205, Martinsburg, WV, 25401.

Berkeley County shall make positive efforts to utilize Disadvantaged Business Enterprises for its supplies and services and shall allow these sources the maximum feasible opportunity to compete for contracts. Berkeley County does not discriminate on the basis of race, color, national origin, sex, religion, age or disability for the provision of services.

Berkeley County reserves the right to accept or reject any or all proposals, to waive technicalities, and to take whatever action is in the best interest of the Berkeley County Council.

I. INTRODUCTION:

Proposals are being requested from Contractors to provide roof repair or replacement services as ordered by the County Council of Berkeley County, West Virginia, (hereinafter referred to as “County Council” or “Council”). Only written responses to this RFP shall be considered. All materials submitted shall become part of the proposal.

II. BACKGROUND:

Berkeley County is located in the eastern panhandle of West Virginia. According to 2010 Census information, Berkeley County has a population of 104,169 making it the second-most populous county in West Virginia, behind Kanawha. Martinsburg is the County Seat.

The county lies adjacent to the Washington-Baltimore Metropolitan area and is one of three counties in the Hagerstown-Martinsburg, MD-WV Metropolitan Statistical Area.

Partly because of its proximity to Washington, D.C., Berkeley County is the fastest growing county in the State of West Virginia and among the fastest growing in the entire country.

Berkeley County is currently governed by a five (5) member County Council.

III. SCOPE OF WORK

A. GENERAL

The County Council is requesting price quotations for roof repair or replacement for the following locations:

- Roof Repair-510 S. Raleigh Street-Main Roof (Former Martin’s Grocery building).
- Roof Replacement-510 S. Raleigh Street-1st Story Ballasted Roof area (Former Martin’s Grocery building).
- Roof Replacement-510 S. Raleigh Street-Entrance Way roof (Former Martin’s Grocery building).
- Gutter & Downspout Replacement-510 S. Raleigh Street (Former Martin’s Grocery building).
- Roof Repair-315 W. Stephen Street-Main Roof (Known as the Crawford Building).
- Roof Repair-315 W. Stephen Street-Boiler Room Roof (Known as the Crawford Building).
- Roof Repair & Gutter Replacement-520 S. Raleigh Street-Main Roof (Former CVS Drug Store building).
- Roof Replacement-217 N. High Street (Berkeley County Senior Center)

Note: The above listed roof repair/replacement projects will be awarded to the lowest responsible Bidder on a location-by-location basis.

B. GUIDELINES AND REQUIREMENTS

a. Roof Repair-510 S. Raleigh Street-Main Roof

1. Re-flash approximately 200 lineal feet of deteriorated flashing at the roof edges. The new flashing shall be 9" quick seam form flash set in quick prime.
2. Patch approximately five (5) holes using SA flashing set in quick prime.
3. Re-flash two (2) existing plumbing vents.
4. Re-flash the loose corners on the existing exhaust fans.
5. Strip out approximately ninety (90) loose existing target patches using new SA flashing set in quick prime.
6. Tear off and remove the existing deteriorated concrete walk pads.
7. Re-flash approximately twelve (12) existing exhaust vents.
8. Re-flash the existing mechanical units.
9. Clean-up and remove all exterior debris caused by the work.

b. Roof Replacement-510 S. Raleigh Street-1st Story Ballasted Roof

1. Remove and discard the existing stone ballast.
2. Tear off and remove the existing EPDM roofing, underlying insulation, base flashings, metal edgings, etc. down to the existing roof deck.
3. Mechanically attach 1½" x 4" pressure treated wood nailer to all open roof edges.
4. Mechanically attach one (1) layer of 1½" Polyisocyanurate roof insulation.
5. Install .060 fully adhered EPDM roofing membrane and flashings.
6. Install .060 fully adhered EPDM base flashings.
7. Terminate all base flashings using ¼" aluminum termination bar.
8. Set the termination bar in a continuous bead of water cut off.
9. Caulk the leading edge of the termination bar using polyurethane caulking.
10. Tear off and remove the old unused mechanical unit stands.
11. Install new 24 gauge Kynar 500 metal edgings to all open roof edges.
12. Strip out the metal edging using 5" quick seam flashing set in quick prime.
13. Upon job completion, furnish the EPDM manufacturer's standard fifteen (15) year EPDM roof warranty.
14. Clean-up and remove all exterior debris caused by the work.

c. Roof Replacement-510 S. Raleigh Street-Entrance Way Roof

1. Tear off and remove the existing shingle roofing, metal edgings, metal flashings, metal fascia panels, metal soffit, EPDM roofing and flashings, etc.
2. Tear off and remove the existing unused brackets at the shingle roof area from the old Martin's sign.
3. Tear off and remove the deteriorated plywood sheathing on the top of the low slope area of the canopy.
4. Install new ½" 4-ply sheathing grade plywood to this repair area.
5. Install quick seam RPF strip at all areas where the low slope roof makes a vertical angle change.
6. Install .060 fully adhered EPDM roofing membrane and flashings.
7. Install ice and water shield membrane to the steep slope roof area.

8. Install the MetFab Corporations Snap-On 400 24 gauge 16" on center metal roof panels to the steep slope roof area.
 9. Install 24 gauge Kynar 500 valley flashings.
 10. Install 24 gauge Kynar 500 hip flashings.
 11. Install the MetFab Corporations 24 gauge 12" on center flush panels to the vertical fascia area.
 12. Prepare all soffit area for dryvit application.
 13. Install 24 gauge Kynar 500 metal edgings and flashings.
 14. Clean-up and remove all exterior debris caused by the work.
- d. **Gutter & Downspout Replacement-510 S. Raleigh Street**
1. Tear off and remove all existing gutter and downspouts.
 2. Install new 24 gauge Kynar 500 5" x 6" box gutter.
 3. Install new 4" x 5" downspouts to grade.
 4. Clean up and remove exterior debris caused by the work.
 5. Note: Color of gutter & downspout to be selected by Berkeley County.
- e. **Roof Repair-315 W. Stephen Street-Main Roof**
1. Conduct asphalt shingle repairs at the rear main roof area which has one (1) layer of existing shingles.
 2. Conduct asphalt shingle repairs at the front roof area which currently has two (2) layers of existing shingles.
 3. Replace ½" plywood sheathing as needed.
 4. Replace variable width original wood decking.
- f. **Roof Repair-315 W. Stephen Street-Boiler Room Roof**
1. Clean an approximate 10' x 10' section of existing EPDM roofing membrane centered at two (2) existing areas of leaks.
 2. Strip out all field seams located in the repair area using 5" quick seam flashing set in quick prime.
 3. Strip out all flashing areas located within the repair area using 9" quick seam form flash set in quick prime.
 4. Repair any holes encountered in the EPDM using SA flashing set in quick prime.
 5. Clean up and remove exterior debris caused by the work.
- g. **Roof Repair & Gutter Replacement-520 S. Raleigh Street-Main Roof**
1. Tear off and remove the existing gutter and downspouts.
 2. Install new 24 gauge Kynar 500 5" x 6" box gutter to the entire eave area.
 3. Install new 3" x 4" downspouts to grade.
 4. Re-flash the existing mechanical units.
 5. Install four (4) new pitch pockets in the same location as the existing pitch pockets.
 6. Re-flash one (1) existing roof hatch.
 7. Re-flash two (2) existing plumbing vents.
 8. Re-flash three (3) corners.
 9. Clean-up and remove all exterior debris caused by the work.
- h. **Roof Replacement-217 N. High Street (approximately 5134 sf of flat roofing)**
1. Mechanically attach ½" x 4" pressure treated wood nailer to all open roof edges.
 2. Mechanically attach one (1) layer of ½" retro-guard Polyisocyanurate roof insulation.

3. Install quick seam RFP strip at all areas where the roof surface makes a vertical angle change.
 4. Install .0060 fully adhered EPDM roofing and flashings.
 5. Install .060 fully adhered EPDM wall flashings.
 6. Install .060 fully adhered EPDM base flashings at all mechanical units.
 7. Install .032 white aluminum counter flashings.
 8. Install retro-fit drain at all existing roof drains.
 9. Flash the roof drains in accordance with current manufacturer's guidelines.
 10. Install new plumbing flashings to the existing plumbing vents on the roof.
 11. Install one (1) new quick seam pitch pocket in the same location as the existing pitch pocket.
 12. Fill the new pitch pocket with pourable sealer.
 13. Install quick seam walk pads beneath gas line blocking.
 14. Install .032 aluminum metal edgings to all open roof edges.
 15. Strip out the newly installed metal edging using 5" quick seam flashing set in quick prime.
 16. Clean-up and remove all exterior debris caused by the work.
 17. Upon job completion, furnish the EPDM manufacturer's standard fifteen (15) year EPDM roof warranty.
- i. **Contractor and all subcontractors must pay the higher of the U.S. Department of Labor Minimum Wage Rates or the West Virginia Division of Labor Wage Rates (prevailing wage) as established for Berkeley County, pursuant to West Virginia Code § 21-5A, et. seq.**
 - j. Contractor shall follow all applicable OSHA requirements for this project.
 - k. Successful Contractor must initiate roof repairs/replacement upon reasonable notice from the County.
 - l. Contractor shall provide all tools, equipment, materials and labor to complete this project.
 - m. Contractor's bid must be all-inclusive to include mobilization, materials, overhead, fuel, repairs, equipment and labor (including any anticipated overtime).
 - n. Contractor will be responsible for any and all property damage or personal injury caused by Contractor's equipment/personnel during roof repairs/replacement.
 - o. Contractor must submit invoices in a timely manner in a format acceptable to Berkeley County.
 - p. At the time of bid submission, the Contractor must include all information as detailed in Section V-Price Proposal.
 - q. The Berkeley County contact for this contract is the Facilities Director or designee. The Facilities Department telephone number is (304) 267-3721

IV. Q&E / TECHNICAL PROPOSAL:

Respondent shall respond to and reference each section and subsection for portion(s) of RFP proposal. *At a minimum, your Qualifications Proposal shall include the following information. Failure to discuss each item may deem the submittal non-responsive and may result in non-consideration of respondent's services.*

A. Firm Information

1. Name, address, telephone number (landline and cell), fax number of Contracting firm and parent company, if any, from which the project will be managed.
2. Nature of Contracting firm and parent company, if any.

B. Firm Capabilities

1. Describe the size of your firm/project office as related to size of staff.

C. Firm Principals and Background

1. Submit the names, titles, and resumes of the "principal" staff member(s) who will be responsible for the project during the performance of the contract. Please assure that the information provided includes specialized experience and technical competence in providing relevant services on similar sized projects during the past three (3) years.
2. Describe in depth the operations team available to the "principal" staff member(s). Include an organizational chart of manpower, titles, qualifications, roles in contract performance, and availability for telephone consultations and on-site meetings.
3. Provide a list of at least three (3) but no more than five (5) similar and/or relevant projects that you have completed during the past five (5) years. This information must include the business name, contact person, address, email address, and phone number.

D. Miscellaneous Requirements:

All proposals must provide written proof that:

- The selected Company/Contractor is licensed to conduct business in the State of West Virginia.
- West Virginia Code § 21-11-2 requires that all persons performing contractual work in West Virginia must be duly licensed. The West Virginia Contractors

Licensing Board is empowered to issue the contractor's license. West Virginia Code § 21-11-11 requires any prospective Bidder (if applicable) to include the contractor's license number on their bid. The successful Bidder will be required (if applicable) to furnish a copy of their contractor's license prior to issuance of the contract.

- The selected Company/Contractor must certify that it is employing only US Citizens or those persons legally in the United States.
- The selected Company/Contractor must show proof of current workers compensation coverage in good standing or payroll information which will show that coverage is not required.
- If subcontractors are used, subcontractors must also provide proof of contracting license and workers compensation in good standing (if applicable).

E. All technical proposals should include any conclusions, remarks and/or supplemental information that is pertinent to this request. Submitters are also required to provide written information regarding their inability to conform to any of the technical requirements listed above. Failure to do so will result in disqualification of proposal.

V. PRICE PROPOSAL:

A. At a minimum, your Price Proposal shall include the following:

1. Completion of Price Proposal (Attachment A) in its entirety.
2. Fully executed Non-Collusion Certificate - Attachment B.
3. Proof of current business and/or contractor's licenses.
4. Statement that only US Citizens or legal immigrants are employed.
5. Proof of minimum insurance requirements as detailed in Section IX below.
6. Proof of current workers compensation coverage, if required.
7. Any conclusions, remarks and/or supplemental information pertinent to this request.

VI. TERM OF CONTRACT:

A. The contract will commence upon award by the County Council.

B. If the Firm and/or Company awarded the bid subsequently fails to comply with the specifications, it will be given thirty (30) calendar days' notice to render satisfactory service. If at the expiration of such thirty (30) calendar days' notice, the unsatisfactory conditions have not been corrected, the County Council reserves the right to terminate the

contract.

VII. USE OF EXISTING DOCUMENTS:

Berkeley County will cooperate to the fullest extent by making available to the Firm/Company all documents pertinent to this service that may be in the County Council's possession. Berkeley County makes no warranty as to the accuracy of existing documents nor will the County Council accept any responsibility for errors and omissions that may arise from the Firm/Consultant having relied upon them.

VIII. COMPENSATION TO THE CONTRACTOR:

Invoices must be submitted to:

Berkeley County Council
400 W. Stephen Street
Suite 201
Martinsburg, WV, 25401

Payment will be made within thirty (30) days of receipt and approval.

IX. INSURANCE REQUIREMENTS:

Professional Liability – The successful Bidder must show evidence of professional liability insurance coverage in the amount of one million (\$1,000,000) dollars, with a minimum coverage of one million (\$1,000,000) dollars per occurrence and one million (\$1,000,000) dollars aggregate and must include coverage for errors, omissions and negligent acts, prior to execution of a contract with Berkeley County.

X. PERFORMANCE, PAYMENT AND MAINTENANCE BONDS:

The successful Bidder will be required to furnish, at the Bidder's expense, a Performance Bond and a Labor and Material Payment Bond for One Hundred Percent (100%) of the contract award. Bonds must be issued by a company licensed to transact surety insurance in West Virginia.

X. SELECTION PROCESS:

- A. This solicitation is issued pursuant to the implementation of Berkeley County's Purchasing Policy. Berkeley County shall not be liable for any costs not included in the proposal, not contracted for subsequently, or in regard to preparation of your proposal.
- B. A Selection Committee appointed by the County Council will evaluate responses to this request and select those firms judged to be most qualified.
- C. It is the County Council's intent to open and review each firm's Qualifications & Experience/ Technical Proposal to determine a firm's qualifications, experience and technical approach to the services. If the Selection Committee determines that a firm's Qualifications & Experience/Technical Proposal is acceptable, than price will be

considered.

D. Since it is the County Council's desire to select the most qualified firm, the Selection Committee reserves the right to schedule oral presentations from those firms it deems most qualified, to take place within ten (10) business days following notification.

E. Selection criteria to be used by the Committee are:

1. Responsiveness to the scope of work and these instructions;
2. Past performance of the firm including timely completion of services, compliance with scope of work performed within budgetary constraints, and user satisfaction;
3. Specialized experience and technical competence in performing relevant services in the past ten (10) years, including qualifications of staff members who will be involved in these services;
4. Oral presentations, if required;
5. Composition of the principals and staff assigned to provide these services, particularly the proposed manager and immediate staff, and their qualifications and experience with services such as that being proposed;
6. Adequacy of the personnel of the firm to accomplish the proposed scope of work in the required time;
7. Firm's capacity to perform the work, giving consideration to current workloads;
8. Firm's familiarity with problems applicable to this type of services;
9. References from previous clients, including size and scope of the services, name and telephone number of contact person.
10. Price Proposal.

XI. PROPOSALS AND AWARD SCHEDULE:

- A. Proposals received prior to the deadline will be treated as confidential, until receipt of all Proposals and opening of the same. Proposals received after the deadline will not be considered in the evaluation process and will be returned unopened.
- B. It is expected that the contract award will be made within forty-five (45) calendar days after the opening of proposals. The contract will be awarded to the Company whose proposal, conforming to this request, will be the most advantageous to Berkeley County.
- C. Proposals must give the full name and address of the proposer and the person signing the proposal shall indicate his or her title and/or authority to bind the firm in a contract.

- D. Proposals may not be altered or amended after they are opened.
- E. The approval or disapproval of the Company's Proposal will be determined by its response to this request and on past performance. No assumptions should be made on the part of the Firm/Company as to this Committee's prior knowledge of their abilities.
- F. Berkeley County reserves the right to request clarification of information submitted and to request additional information of one or more applicants.

XII. TERMS AND CONDITIONS:

- A. The County Council reserves the right to reject any or all proposals or to award the contract to the next recommended Company if the successful Company fails to execute an agreement within ten (10) calendar days after being notified of the award of this proposal.
- B. Berkeley County reserves the right to request clarification of information submitted and to request additional information of one or more applicants.
- C. Any proposal may be withdrawn up until the date and time set within this RFP for the opening of the proposals. Any proposal not so withdrawn will constitute an irrevocable offer, for a period of ninety (90) calendar days, to sell to Berkeley County the services set forth above, in the manner and at the costs set forth.
- D. The selected Company shall be required to enter into a contract agreement with the County Council. Any agreement or contract resulting from the acceptance of the proposal shall be made on forms approved by the Berkeley County In-House Legal Director and shall contain, at a minimum, applicable provisions of this request for proposal. The County Council reserves the right to reject any agreement that does not conform to this request for proposal and any Berkeley County requirements for agreements or contracts.
- E. Selected Firm/Company shall not assign any interest in the contract and shall not transfer any interest in the same without prior written consent of the Berkeley County Council.
- F. No reports, information or data given to or prepared by the Firm/Company under this agreement shall be made available to any individual or organization by the Firm/Company without the prior written approval of the Berkeley County Council.
- G. Firms/Companies shall give specific attention to the identification of those portions of their proposals that they deem to be confidential, proprietary information or trade secrets and provide any justification why such materials, upon request, should not be disclosed by the County Council under the West Virginia Freedom of Information Act.
- H. Berkeley County shall not be liable for any costs incurred by the Firm/Company in regard to preparation of its proposal.
- I. Berkeley County reserves the right to request interviews.

- J. The County Council reserves the right to reject any and/or all proposals, to waive technicalities, and to take whatever action is in the best interest of the County.
- K. Berkeley County reserves the right to not hold discussions after award of the contract.
- L. By submitting a proposal, the Firm/Company agrees that it is satisfied, as a result of its own investigations of the conditions set forth in this request, and that it fully understands the obligations set forth therein.
- M. The Firm/Company shall abide by and comply with the true intent of the RFP and its Scope of Work and shall not take advantage of any unintentional error, ambiguity or omission, but shall fully complete every part as contemplated by the true intent and meaning of the scope of services described herein. Clarifications may be requested and dealt with at the Pre-Proposal Conference.
- N. The Firm/Company hereby represents and warrants:
 - 1. That it is now, or will be by the time its Proposal is opened, qualified to do business in the State of West Virginia and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
 - 2. That it is not in arrears with respect to the payment of any monies due and owing the State, or any department or agency thereof, including, but not limited to, the payment of taxes and employee benefits, and that it shall not fall into arrears during the term of the contract; that it shall comply with all federal, State, and local laws, ordinances, and legally enforceable rules and regulations applicable to its activities and obligations under the contract;
 - 3. That it shall procure, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under the contract;
 - 4. That the facts and matters set forth hereafter in the contract and made a part hereof are true and correct.
- O. In addition to any other remedy available to Berkeley County, breach of any of the services contracted herein shall, at the election of the County Council, be grounds for termination of the contract. Failure of the County Council to terminate the contract shall not be considered or construed as either a waiver of such breach or as a waiver of any rights or remedies granted or available to Berkeley County.
- P. Hold Harmless/Indemnification: If a contract is awarded, the successful Firm/Company will be required to indemnify and hold Berkeley County, its agents and/or employees harmless from and against all liability and expenses, including attorney's fees, howsoever arising or incurred, alleging damage to property or injury to, or death of, any person arising out of or attributable to the Firm's/Company's performance of the contract awarded. Any property or work to be provided by the Firm/Company under the

contemplated contract will remain at the Firm's/Company's risk until written acceptance by the County Council; and the Firm/Company will replace, at Firm's/Company's expense, all such property or work damaged or destroyed by any cause whatsoever, prior to its acceptance by the County.

- Q. Termination for Convenience: Berkeley County may terminate this or any contract, in whole or in part, whenever the County Council determines that such termination is in the best interest of the County, without showing cause, upon giving 30 days written notice to the Firm/Company. Berkeley County shall pay all reasonable costs incurred by the Firm/Company up to the date of termination. However, in no event shall the Firm/Company be paid any amount that exceeds the price proposed for the work performed. The Firm/Company will not be reimbursed for any profits which may have been anticipated but which have not been earned up to the date of termination.
- R. Termination for Default: When the Firm/Company has not performed or has had unsatisfactorily performed the contract, Berkeley County may terminate the contract for default. Upon termination for default, payment may be withheld at the discretion of the County Council. Failure on the part of a Firm/Company to fulfill the contractual obligations shall be considered just cause for termination of the contract. The Firm/Company will be paid for services satisfactorily rendered prior to termination less any excess costs incurred by Berkeley County in re-procuring and completing the work.
- S. The contractual obligation of Berkeley County under the contemplated contract is contingent upon the availability of appropriated funds from which payment for this contract can be made.
- T. Interpretation: The contract resulting from this proposal shall be construed under the laws of the State of West Virginia.

XIII. INTERPRETATIONS, DISCREPANCIES, OMISSIONS:

Should any Firm/Company find discrepancies in, or omissions from, the documents or be in doubt of their meaning, they should at once request in writing an interpretation from the County Council. All necessary interpretations will be issued to all Firms/Companies in the form of addenda to the specifications, and such addenda shall become part of the contract documents. Failure of any Firm/Company to receive any such addendum or interpretation shall not relieve such Firm/Consultant from any obligation under their proposal as submitted. Berkeley County will assume no responsibility for oral instructions or suggestions. **ORAL ANSWERS SHALL NOT BE BINDING ON BERKELEY COUNTY.** No requests received after **4:00 p.m., Wednesday, November 30, 2011** will be considered. Every interpretation made by Berkeley County will be made in the form of an addendum that, if issued, will be sent by Berkeley County to all interested parties.
